

BoonEx Dolphin Permanent Commercial License

1. Introduction

Please read this Commercial License carefully. The following are the Terms of Use and Conditions under which BoonEx Pty Ltd. (hereinafter "Licensor") licenses its Dolphin software (hereinafter "Licensed Software") to its customers (hereinafter "Licensee"). By ordering, downloading or installing and using the Licensed Software, Licensee is agreeing to be bound by this Commercial License, and the licenses granted hereunder are subject to compliance with any and all terms of this Commercial License. IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THIS LICENSE, DO NOT ORDER, DOWNLOAD, INSTALL, USE OR DISTRIBUTE THE LICENSED SOFTWARE.

2. Terms and definitions

"Commercial License" means this document. The "Software" covered under this License Agreement means the licensed Dolphin software with its source code, help files, publications, documentations and/or plugins that are included in the official Software Distribution available from BoonEx.com. "Licensed Software" means the same as Software. "License key" means a sequence of letters and numbers provided by Licensor to activate the Licensed Software. "Licensor" means BoonEx Pty Ltd. "Licensee" means an individual or entity exercising rights under and complying with the terms of this License who has not previously violated the terms of this License with respect to the Software, or who has received express permission from the Licensor to exercise rights under this License despite a previous violation. "Footer" means logos, links, and any other visible trademarks placed in the "Licensed Software" "Header" means the Licensor copyrights placed in the Licensed Software source code, not publicly visible.

3. License Grant

Subject to the terms and conditions of this License Agreement, BoonEx Pty Ltd hereby grants Licensee a non-exclusive, non-transferable, non-assignable license, without the right to sublicense to:

- a. Remove logos, links, and other trademarks (footers) from the Licensed Software.
- b. Access, display, integrate and use the Software on one (1) Internet domain that has been registered with Licensor. (Licensor provides Licensee with the License Key that is tied to the domain name.)
- c. Access to the Software source code: Customize the Software according to the Licensee's needs, but Licensee has no rights to remove the License Key logic from the Software so that customization only functions if a valid license key has been configured for it. All rights not expressly granted by this Agreement are expressly reserved by Licensor.

4. Applicability of License

This License applies to the Software version purchased by the Licensee as well as all future version upgrades issued during during the term of the License.

5. Protection of Licensed Software

The extent of authorization depends on the ownership or Proof of Authorization for the Software. Usage of the Software for any other purpose not explicitly covered by this License Agreement or granted by the Proof of Authorization is not permitted and requires the written prior permission from BoonEx Pty Ltd.

Except as otherwise expressly permitted in this Agreement, or in another agreement with BoonEx Pty Ltd to which Licensee is a party, Licensee may not redistribute, encumber, sell, rent, lease, sublicense or otherwise transfer rights to the Licensed Software. Licensee shall not remove or alter the Licensor headers from the Licensed Software. Any attempt to take any such actions is void, and will automatically terminate your rights under this License.

6. License Effective Date

The rights and licenses granted hereunder shall commence on the date any License Key is electronically delivered to Licensee. Licensor agrees to make the License Key available for electronic delivery to Licensee promptly after receipt by Licensor of the License Fee for an unlimited period of time. For purposes of this Agreement, the "License Fee" means the amount of money required to be paid by Licensee to Licensor for legal usage of the Software under the terms of this agreement.

7. Termination of the license

Without prejudice to any other rights, Licensor may terminate this Agreement if Licensee breaches any of its terms and conditions. Upon termination, Licensee shall destroy all copies of the Licensed Software held or controlled by Licensee.

8. Ownership of Intellectual Property

By accepting this license grant, the Licensee doesn't become the holder of any other intellectual property rights in the Licensed Software. Title to and ownership of the intellectual property rights in the Licensed Software, all copies thereof, and all documentation related thereto, shall remain at all times with the Licensor. The Licensee agrees to take all steps which are reasonably necessary to protect the Licensor's ownership rights to the Licensed Programs in the conduct of the Licensee's licensed commercial activity with the Licensed Program, and will not take any action to jeopardize, limit or interfere in any manner with such rights.

9. Disclaimer of warranty and limitation of liability

The Licensor doesn't represent or warrant that the functions contained in the Licensed Software will meet the Licensee's requirements or will operate in the combination selected by the Licensee or that the operation of the Licensed Software will be error free.

In no event shall the Licensor be liable for any incidental, indirect, special or consequential damages whatsoever (including, but not limited to, lost profits or interruption of business) with respect to, arising out of, in connection with, or related to this Agreement. The Licensor's liability arising out of contract, negligence, strict liability in tort or any other claim of law shall not exceed any fees paid by the Licensee for the Licensed Software.

Licensee is solely responsible for determining the appropriateness of using the Licensed Software and assumes all risks associated with its exercise of rights under this agreement, including but not limited to the risks and costs of software errors, compliance with applicable laws, damage to or loss of data, programs, suitability for hosting and unavailability or interruption of operations.

10. Governing Law

This Agreement shall be governed and constructed in accordance with the laws of the Commonwealth of Australia and the laws of Australia applicable therein. If any provision of this Agreement or the application thereof shall be invalid or unenforceable, the remainder of this Agreement shall be unaffected thereby, and each remaining term or provision of this Agreement shall be valid and be enforced to the fullest extent of the law.

11. General

This Agreement constitutes the entire agreement between the parties and supersedes all prior oral or written agreements, proposals or communications between the parties relating to the Licensed Software. Failure of the Licensor to exercise its rights under this Agreement, or to require strict performance of any part of this Agreement, shall not constitute a waiver of those rights or provisions, and they remain in full force and effect. If any term or provision of this Agreement or the application thereof shall be invalid or unenforceable, such term or provision shall be severed from this Agreement and the remainder of this Agreement shall be unaffected thereby and each remaining term or provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.
